Comments

- In case of a group of representatives ("Business Partner" groups stored in CRM), the figures must be calculated for the whole group. Only groups for which all partners are e-com activated will appear in the report (provided that the other requirements are fulfilled).
- The volume indicated represents the cumulative volume of EUTM/RCD applications and Oppositions filed electronically in the mentioned period; volumes of EUTMs must not include IRs.
- The report only focuses on (groups of) representatives (Lawyers, EUIPO Prof. Rep, Associations and employee representatives):
 - Using electronic e-filing at 99% and above in a given quarter and for each of the entities directly filed (IRs excluded) to EUIPO. The % is the ratio between the sum of EUTMA+RCDA+OPPO (IRs excluded) direct e-filings divided by the sum of EUTMA+RCDA+OPPO (IRs excluded) direct filings.
 - and having electronic communications activated at the moment of the generation of the report.
- One quarterly report should consist in four parts: TOP 25 e-Users (QN/YEAR), TOP 25 e-Users per country (QN/YEAR), TOP 25 e-Users improvers (between Quarter N-1 and Quarter N) and TOP 25 Key Users improvers (between Quarter N-1 and Quarter N) Further details for each report are explained in the requirements.
