THE DATES OF OUR TOURNAMENT

- Our tournament will take place from **22nd to 24th June, 2018.**
- Your arrival is scheduled on **Thursday afternoon 21st June**, and you will be leaving at the end of the tournament on **Sunday evening, 24th June.**
- Our start is scheduled on **Monday 25th June before 11 am** if you opt for an additional day in your selection (please refer to page 14).

WHAT GOALS FOR THIS TOURNAMENT?

- There are **three** objectives to the tournament:
- **Objective 1:** it is a very good way for you to prepare for the **2018 world championship**, due to potential participants from **Belgium, Italy, Germany, the Netherlands, Spain and Britain**. This tournament will provide suitable preparation for the world championship.
- **Objective 2:** we believe that your sport should be publicized through greater media coverage. Our competition will definitely be **an advantage to draw public attention**.
- **Objective 3:** last but not least, it will be a huge financial help for Apolline's parents along with a **good opportunity to bring the association into the public eye**.

WHO ARE WE ?

- We (ROY Alisson, DURAND Matthieu, PUISSANT Eliot and DYS Valentin) have been practicing basketball for 14 years. We are second-year students, currently attending a two-year post A-level university programme in business and administration management at the **IUT de Tours, France**.

WHY THIS TOURNAMENT ?

- As part of our DUT program (the equivalent of the British Higher National Diploma), we are required to carry out a tutored project over a 2-year period. Having a mutual passion for basketball, it soon became clear to us that our project had to somehow be related to basketball. Quite logically, we came up with the idea of organizing a sports event that will draw public attention to a disability charity. The stated purpose of our event is to organize a fund-raising basketball tournament in partnership with the **French Basketball Team**. The money collected will go to “**Apolline, a step for the future**”, a charity organization.
- **Apolline**, a 14-year-old girl who suffers from cerebral palsy, is currently seeking medical treatment abroad, better suited to her present condition. To help her parents meet the high costs involved with her treatment, we are planning to organize a basketball tournament intended to raise some of the money needed.

THE ASSOCIATION

- The medical treatment that **Apolline** has to go through amounts to approximately **€ 15,000**, which Apolline's family is unable to afford. The treatment is mainly available in Spain, the United States and Germany. The costs are high, mostly due to transport, accommodation and care.
- The “**Apolline, a step for the future**” charity has been instrumental in raising funds to help Apolline’s parents meet the costs involved in their daughter’s medical treatment. However these costs are high and Apolline definitely needs you to help her get back on her feet. **Your cooperation will be greatly appreciated!**

BUDGET

- Team tournament organization fees: **€5355** (see page 11-12 for options)
- Organization fees should be made by cheque payable to "Association projet étudiant". Agreement to participate in the tournament must be sent prior to paying for the organisation fees. Please complete, sign and return the attached agreement and contract to us for your participation in our TIBHA event.
- Upon reception of the documents, you will be requested to book **your own means of transport** on **Thursday 21st June 2018**. Be advised to let us know your time and place of arrival to make it possible for us to take care of you upon arrival in Tours as soon as possible.

BONUSES AND EXTRAS

- During this tournament, we offer you an “option” included in your participation fee.
- We suggest that you remain an additional night at the hotel, to leave again on **Monday 25th June 2018, before 11 am.**
- This added bonus covers all expenses related to the athletes during this additional day: accommodation, catering (breakfast) and transport (hotel? Bus station, or airport).
- Another option would be for you to connect your staff up to 5 additional people. These people can benefit from the same infrastructures as the athletes (accommodation & catering). However, the resulting price reduction for the athletes will not apply to the guides.
